CE - Not Required

WARNING

- Ratchet mechanism may slip or break if dirty or worn
- Mismatched or partially worn parts can cause ratchet to slip or break
- Frequently inspect, clean and lubricate all non-sealed ratchet mechanisms with light oil
- Do not immerse sealed ratchets in fluids
- Do not replace worn parts individually, use entire contents of the service kit
- Ratchets that slip or break can cause injury
- Wear safety goggles (User and Bystander)
- Read additional safety warnings on pages W1 to W4 in Catalog 1500
